| Midibus, Bus, Truck, Light Truck,   |   |           |           |            |             |              |         | 70  | 110       | 135       | 180        | 245         | 3.135        |
| Motorcycle                          | 35  | 45        | 65        | 80         | 120         | 960          | 1.535   | 25  | 35        | 50        | 55         | 80          | 1.025        |
| The Vehicles of Personel in Airport |   |           |           |            |             |              | 830     |   |           |           |            |             | 510          |

**3. PRINCIPLES OF APPLICATION:**

- At the car parks with automatic entry-exit vehicle recognition system, parking charge is paid according to the entry-exit time recorded in the system. In car parks without automatic entry-exit system, from the vehicles that do not submit car park card/bill at the exit and make entry-exit on the same day, 12-24-hour parking fee must be paid.
- The monthly subscription period covers a period of 30 days from the first login and without any logout. In case of multiple entries and exits in the Monthly Subscription application, the fee in the table is applied with a 25% increase. All subscriptions must be made within the first three hour from the parking lot entrance time.
- From those who wash vehicles and throw wastes at the car parks, charge to be calculated according to duration of stay at the park is collected with 100% increase.
- In the event of not leaving the car park within 20 minutes following the payment, the period exceeding 20 minutes is charged as per the tariff.
- Provided that DHMI is informed, car park operators may apply free of charge or discount on the tariff.
- For parking exceeding 24 hours without a subscription, for the full days full day charge (12-24-hour charge) specified in the tables must be paid and for the remaining hours, hourly charge found by dividing the full day charge to 24 and multiplying the value found with the exceeding hours must be paid.
- For the airports of which the terminals can only be accessed by entering the car park and also the airports/terminals of which parking/halting in front of the terminal is forbidden by the Security Commission, first 15 minutes in the car park is free.
- The charges are not applied on the conditions indicated below;**
  - Vehicles listed in Act No. 5018 in the general budget listed in the State Organization Central Registration System KAYSİS, (Including rented vehicles purchased through service procurement) other than public administrations, special budget agencies, regulatory and supervisory agencies, social security institutions, local administrations (for a maximum of 2 hour)
  - Vehicles with Corps diplomatique plate numbers (upto an hour)
  - Vehicles driven by/hosting persons with physical disabilities and veterans (up to maximum 15 days each time), only if submitting the documents
  - Private vehicles of the 1<sup>st</sup> degree relatives of the families of the martyrs (up to maximum 15 days each time),
  - Private vehicles driven by DHMI staff (including DHMI retired staff),
  - Private vehicles of the General Directorate of Civil Aviation staff using parking lots operated/operated by DHMI.

**4. PAYMENT OF THE CHARGES:**

- The charges specified here are accrued, invoiced and collected according to the principles of the legislation of the airport / terminal operator.
- Parking charges are collected in advance at the car park exit. Monthly subscription charges are collected in advance at the beginning of the subscription.
- Charges in the tariff include VAT. If there is a change in the VAT rate, action is taken accordingly.
